One of the most difficult decisions in any type of genealogy publishing is deciding when to stop researching the various family lines and when to publish your findings for others to be able to make use of. Having previously done several other books I can honestly advise that every possible family line has never been researched by every available avenue. This gets proven more readily with each passing year. New genealogy information becomes available with each passing day. It is now believed that Man's knowledge and available information doubles every eighteen months.

This book is published knowing that it is incomplete. I acknowledge that I have yet to research many of the various family branches in this book. A few years ago I wrote **Ancestors and Relatives of Reverdy Lewin Orrell, IV**, which detailed my son's complete ancestry. Some of his direct line ancestors were traced back thirteen generations. This current series of books doesn't go back in time; rather, they come forward. Each book begins with one of our son's 'end of the line' direct line ancestor and brings that ancestor's line to the present day. Therefore the reader will find our son, **Reverdy Lewin Orrell, IV** as a descendant in every book in this series. Obviously, his direct line from the progenitor in each book is very well documented. Some of the other descendancy lines from the progenitor have not been researched at all.

Why then, might you ask, is this series of books even being produced, if they are not completely researched and documented? The answer is quite simple - all of the family trees and branches, all of the genealogy data, all of the various source notes - do absolutely no good to anyone else when they are stored in my computer databases, census databases, and file cabinets. While it is my intention to eventually work on many of these lines again; I can't be sure that each project will ever be completed. Therefore, while I am young enough, in good health, and have the necessary funds, I am doing this series of fourteen books. There are several other family lines that are absolutely huge; some have been very well documented by other researchers. There are a few other lines that I will be publishing at a later date.

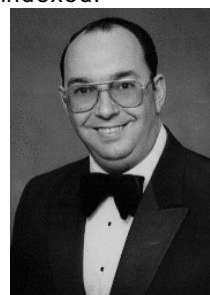

I do not consider myself an expert on any of these lines. Many persons helped me out by researching several of these lines before me. In all cases I have added to their research. Please note that the notes are not rewritten and polished. The books in this series are intended to aid and assist other genealogists who are interested in these various family lines.

Each book in this series is published on a very limited basis. A copy of each has been placed in the Library of Congress in Washington, D.C., Daughters of the American Revolution Library in Washington, D.C., Latter Day Saints (LDS) Family Library in Utah, the Maryland State Archives in Annapolis, Maryland, and the Maryland Historical Society in Baltimore, Maryland.

An index of each book appears in the back. Please bear in mind that only descendants, their spouses and their spouse's parents are indexed. Persons mentioned in the various notes are not indexed.

| 9. | M | viii. | Anton MARTINEK, born Aug 1876, in Bohemia, Austria. Unconfirmed child according to Patti Parker. However this child is clearly noted in the Passenger Arrival list for Baltimore, arriving on the vessel LEIPZIG on 16 October 1876. He is listed as being 2 months old coming from Bohemia. He is not listed on his mother's return trip to the U.S. in June of 1880. It is most likely that he died before June 1880. |

Mary died 2 Oct 1899, in Baltimore City, MD, and was buried 4 Oct 1899, in Bohemian Cem, Baltimore City, MD. NOTES for Mary follow:

Tombstone reads "Matka Amalie Martinek 1830 - 1899". However death certificate claims she was 59 years old which would set birth at about 1840. Passenger arrival list of 1876 shows her at 46 years old (birth 1830) and passenger arrival list of 1880 shows her at 50 years old (birth 1830).

Living at 1101 Hopkins at time of death. Widow at time of death. Came to U.S. 22 years before death. Cause of death: cirrhosis of liver and dropsy.

There is a Amalie Martinek show as coming to Baltimore during the month of Oct 1876 on the vessel LEIPZIG with a destination of Baltimore, Maryland. She is shown as being 46 years old and coming from Bohemia on the vessel LEIPZIG.

On that same vessel were Jacob Martinek - 46 years old, and a tailor from Bohemia, Josefa Martinek (female - Josephine) - 21 years old from Bohemia, Franz Martinek (Francis or Frank) - 9 years old from Bohemia, Anna Martinek - 7 years old from Bohemia, Josof Martinek (male - Joseph) - 11 months old from Bohemia, and Anton Martinek - 2 months old from Bohemia.

Three of her children were not listed on the above stated voyage. They were Vincent (b. 1857), Agnes (b. 1863), and Mary (Marie b. 2 Feb 1864). The above stated Josof (Joseph) would have been born about Nov 1875 according to the records of the passenger arrival. His birth has been cited as 1870 - 1873, up to a full 5 years earlier. This Joseph is also listed on his mother's return trip to Baltimore on 5 June 1880. At this time he is listed as 7 years old.

Amalie Martineck (note spelling) is again shown as returning to Baltimore on 5 June 1880 on the vessel BERLIN. She is now shown as 50 years old, from Bohemia with a destination of Maryland. Returning with her were: Marie (18 yrs), Franz (16 yrs), Anna (9 yrs, 9 months), and Joseph (7 yrs).

Located in the Baltimore City Directory: 1884: Amalie Martinek, 64 E. Biddle ext 1887: Amelia Martinek (Mrs.), 1818 E. Madison 418 1888: Amelia Martinek (Mrs.), 1818 E. Madison 1889: Amelia Martinek (widow J.), 1818 E. Madison (last listing)

Mary Amalie Martinek is located in the 1880 MD Census. She is found living with her son Vincent Martinek and his wife Barbara (Rytina). She is listed as 49 years old and born in Bohemia. Living at this address were her children Vincent (23 yrs), Josephine (24 yrs), Annie {probably Angles b. 1863} (19 yrs), Frank (18 yrs), Mary (16 yrs), Annie (10 yrs), and Joseph (7 yrs). The above mentioned Anton Martinek was not listed and is presumed to have died between the arrival of the Martinek family in 1876 and the return of the mother in 1880.

Jacob died about 1879.

NOTES for Jacob follow:

There is a Jacob Martinek shown as coming through the Port of Baltimore on 16 Oct 1876 on the vessel LEIPZIG with a destination of Baltimore, Maryland. He is shown as 46 years old, a tailor, and coming from Bohemia.

On that same vessel were Amalie Martinek, 46 years old from Bohemia, Josefa Martinek (female - Josephine) - 21 years old from Bohemia, Franz Martinek (Francis or Frank) - 9 years old from Bohemia, Anna Martinek - 7 years old from Bohemia, Josof Martinek (male - Joseph) - 11 months old from Bohemia, and Anton Martinek - 2 months old from Bohemia.

Three of his children were not listed on the above stated voyage. They were Vincent (b. 1857), Agnes (b. 1863), and Mary (Marie b. 2 Feb 1864). The above stated Josof (Joseph) would have been born about Nov 1875 according to the records of the passenger arrival. His birth has been cited as 1870 - 1873, up to a full 5 years earlier. This Joseph is also listed on his mother's return trip to Baltimore on 5 June 1880. At this time he is listed as 7 years old. It is believed that Amalie's return trip of 5 June 1880 was after Jacob's death and that she had possibly buried him in Bohemia and he had certainly died before June of 1880 since he was not found in the 1880 MD

Census.

As Jacob Martinek did not arrive until 1876 no record can be found of him in the 1870 MD Census. He could not be located in the 1880 MD Census and is believed to have died before then as his last listing in the Baltimore City Directory was in 1880. This listing would have been prepared in early 1879.

Vincent died 20 Sep 1883, in Baltimore City, MD, and was buried 23 Sep 1883, in St Alphonsus Cem, Baltimore City, MD.

NOTES for Vincent follow:

Vincent Martinek is not listed with his parents on their arrival in the Port of Baltimore on 16 Oct 1876. At this time he would have been about 19 years old. He is again not shown on his mother's return to the U.S. on 5 June 1880. His death certificate showed he was in Baltimore for 10 years at the time of his death. If this information was correct he would have arrived in Baltimore about 1873 a full 3 years before his parent's arrival. It should be noted that his sister Mary (Marie) was also not on the first arrival list although she was on the return arrival of her mother. The 1900 MD Census shows that she arrived in the U.S. in 1873 the same year that Vincent arrived. She would have been about 9 years old by her death certificate birthdate or 11 years old by her age as specified on the arrival list in 1880.

It is interesting to note that there is a VINCENZ MARTINEK located in a Port of Baltimore Passenger Arrival list of 30 June 1876 which is 3 1/2 months before the arrival of Jacob Martinek and family. This sailing was also from Bremen, Germany on the vessel NUERNBERG. Vincenz was listed as 19 years old from Bohemia and a laborer. This could certainly be Vincent Martinek with the birth year being 1857.

Vincent Martinek is listed in the 1880 MD Census as VINS. MARTINETT with his wife, Barbara (Rytina), mother - Mary, and various brothers and sisters - Josephine, Annie, Frank, Mary, Annie, and Joseph. However his son

John (Kelly) who was listed as being born in 1879 was not listed in the 1880 Census. Vincent is shown as a Coat Maker in the 1880 Census and living at 41 N. Chapel Street.

Living at 45 N. Chapel at the time of his death. Died of typho-malaria fever after 6 weeks illness. Was a Tailor and living in Baltimore for 10 years at the time of his death. Age of death certificate was 25 years.

Marriage license to Barbara Rytina found in issue book 1873-1800 p. 292 at Hall of Records, Annapolis, MD. He was listed as VINCENE MARTINEK.

After his death his wife, Barbara married his blood brother, Francis Martinek.
